# Affiliate / Customer Distinctions

The **unifii Affiliate** is a customer that purchases the **unifii** product package for **\$279.95** but also pays the **\$29.95** Affiliate fee.

This positions the individual into **unifii's** genealogy structure *and* enables them to earn from the **Affiliate Rewards Bonuses**.

A **unifii Customer** is someone that purchases the **unifii** product package but chooses *not* to pay the **\$29.95 Affiliate fee**. The customer benefits from all product related features and services, but does *not* have a position placed into the **unifii** affiliate Matrix.

The customer may choose to become an affiliate at any time by paying the **\$29.95 affiliate fee**. They would receive a new Matrix position as selected by the referring affiliate or by the auto-placement of the Matrix.

**unifii** affiliates referring customers who purchase and subscribe to **unifii** products earn three (3) ways.

- I. \$60 USD Referral Bonus (1 time bonus)
- II. \$15 USD Matrix Cash Bonus (monthly reoccurring from **active** customers)
- III. Matrix Bonus

# Affiliate Rewards

**unifii** is in a very unique position as a result of the company owning and controlling all of its own technology. There are several obvious advantages to this, and the most significant to our affiliates is our ability to control cost and shift a high percentage of sales into our Affiliate Rewards.

Everything detailed in the following pages was designed purposefully, and to give **unifii** Affiliates the best possible opportunity to reach their personal objectives. As you begin to understand each of these Reward structures you will appreciate the time and focus that was invested in designing the best possible solutions for our Affiliates.

Attention has also been given to how each of these Reward structures connect to and support the other, making sharing and explaining each bonus a simple process.

Allow these Rewards to work for you. Be sure you understand them well before sharing with others to make your **unifii** experience as positive and fruitful as possible. Welcome to **unifii**, we wish you the best success has to offer.

# Titles & Qualifications

**unifii** has **6 titles** that members may reach through earning **Referral** and **Matrix** bonuses within the **unifii** Rewards Plan. Affiliate titles and qualifications are as follows:

<b>Title:</b>	<b>Cumulative Earnings in USD</b>
<b>Manager:</b>	<b>\$1,000 USD</b>
<b>Director:</b>	<b>\$5,000 USD</b>
<b>Executive</b>	<b>\$25,000 USD</b>
<b>Vice President:</b>	<b>\$150,000 USD</b>
<b>President:</b>	<b>\$500,000 USD</b>
<b>Ambassador:</b>	<b>\$1,000,000 USD</b>

---

Reaching a title is accomplished through accumulating Rewards Plan earnings from any *or* all of the **unifii Referral, Matrix** and **Matching Matrix bonuses**. Once a title has been reached, the affiliate will not lose their **unifii** displayed title, however, Matrix and Matrix Matching earnings are based upon monthly **personal group volume (PGV)** requirements.

**PGV** accumulates when you, as an affiliate *or* any affiliate within your organization, refers new affiliates to **unifii**. As personally referred affiliates share and grow their own organizations, **PGV** is tracked and totaled monthly. Each new personally referred affiliate begins a new **PVG** lineage for the referring affiliate.

# 1 Referral Rewards Bonus

The **Referral bonus** is based upon the **\$279.95 unifi** product purchase and a **Referral bonus** is triggered each time you refer an **affiliate** or a **customer** to your **unifi** business. You will continue earning **Referral bonuses** when any of your personally referred affiliates, in turn, refer anyone to their business; up to and including **5 generations** of referrals. As such, the **Referral Bonus** is a one-time, **unlimited earning bonus**.

Your personally referred affiliates represent your Generation 1. Affiliates referred by your Generation 1, become your Generation 2. This referral model continues until Generation 5.

Earning from the **Referral Bonus** requires you to maintain an **Active** membership status by **a)** purchasing a monthly **\$79.95** product subscription **or b)** have 2 personally referred Active customers.

**Generation 1: \$60.00**

**Generation 2: \$20.00**

**Generation 3: \$25.00**

**Generation 4: \$35.00**

**Generation 5: \$50.00**

# 1 Referral Rewards Bonus *continued 2*

Here is an example of how the Referral Bonus is earned. In this example, the affiliate refers 3 new affiliates. Each of these new affiliates also refer three Affiliates; this continues through to generations 5.

<b>Generation</b>	<b>Reward</b>	<b>Affiliates</b>	<b>Earned</b>
1	\$60.00	3	\$180
2	\$20.00	9	\$180
3	\$25.00	27	\$675
4	\$35.00	81	\$2,935
5	\$50.00	243	\$12,150

This is a permanent bonus with no time limits. Affiliates may refer at any time and continue to earn from the Referral Bonus as long as they have a paid up to date **unifii** subscription.

# 2 Matrix Rewards Bonus

Every **unifii Affiliate** has a personal **3X9 Matrix**. Each Matrix automatically begins to fill from the **Left** to the **Right**, starting at **Level 1** and filling down to **Level 9**.

The **unifii** Matrix pay percentage is based on a \$79.95 product subscription. **unifii** pays into the Matrix based on 80% BV to dollar ratio, allowing for product-based company costs to be covered. This equates to \$64 and is the basis for level % payouts (example: Matrix level 6 pays 10% of \$64, so each affiliate in your level 6 pays \$6.4 per monthly subscription).

Affiliates become part of your Matrix in 3 ways; you referring them directly, an affiliate within your Matrix referring them, or an upline affiliate referring them into your Matrix.

2 key aspects to the **unifii** Matrix Bonus are:

Affiliates may choose a specific placement location for affiliates that they personally refer, rather than the Left to Right, Top to Bottom default placement, as long as the position is empty.

Affiliates that refer **10 new affiliates** will earn an additional Matrix position to be placed anywhere they choose as long as that position is available for placement. Affiliates may earn an **unlimited** number of additional Matrix positions.

# Customer Distinctions

A **unifii customer** rewards the referring affiliate differently than an affiliate.

Your 3X9 Matrix contains **affiliates only**, whether placed in your Matrix by you, someone within your organization, or from someone above your organization.

Customers *do not* hold a position within your Matrix.

**Referring affiliates** are **paid \$15 USD per month** for each **active customer** they have personally referred. The remaining 40BV per customer is calculated and paid into the Matrix the same way one earns from affiliates within a Matrix.
